Oldest Brick House in Kentucky.

A Scott county woman, who recently visited Crab Orchard Springs, sends in the following:

Situated on a prominence in Lincoln county, with Muldore Mountains in the distance, is said to be the oldest brick house in Kentucky, having been built between the years 1783 and 1790 by Col. William Whitley, the grandfather of Mrs. Mary Moore, of Georgetown. In the front room, then known as the "big" room, Col. Whitley met with and entertained the Indians when making a treaty with them regarding the capture of white women and children. In this same room on the high mantle are 13 stars, representing the 13 States then in the Union, Kentucky at that time being a portion of Virginia. The wood-work is all hand-carved and on the stairway is carved at each step an eagle with an olive branch in its mouth. The attic, quite a low structure, was the ballroom and from the small windows at each end, it is told, the whites fired on the Indians when with hostile intentions they were around the premises.

The brick of which the house was built were burned near by and in diamond shape are placed glazed brick to add to the quaintness of the structure. It is said a farm was paid for the brick and quite a number of barrels of whiskey was given to build the house. The chimney in one room is 12 feet wide, the walls of the house being two feet thick. The doors are two-ply with metal between to insure safety from the enemy.

The farm contains 130 acres, now owned by Mrs. Sallie Pennington, who takes pleasure in showing strangers through the entire house and gives them in her affable way what information she can about her quaint and much loved home.—Georgetown Times.

THE \$5,000 HANDICAPS AT LEVINGTON.—A novelty in racing which should draw the largest crowds ever seen on the Lexington track will be the two rich handicaps, worth \$5,000 each, to be raced the second week of Kentucky's Great Trot of Oct. 5-16. The Blue Grass Handicap for pacers is set for Tuesday, Oct. 12. The distance is a mile and a half, and 2:10 and slower pacers will start at the mile and half post, while the faster pacers will start from 53 feet to 500 feet behind the wire in accordance with their different records and speeds. Among the starters will be Hedgewood Boy 2:02, Lady Maud C. 2:03, Major Mallow 2:05, Brenda York 2:04, Baron Whip 2:05, Major Brino 2:05, etc. The October Prize, \$5,000, for trotters is on the same conditions, and will make a sensation. Among the starters will be the great Uhlan 2:04, Jack Leyburn 2:04, Sanoma Girl 2:05, Margaret O. 2:05, Sterling McKinney 2:06, San Francisco 2:07, Lady Jones 2:07, and other stars.

After carrying mail over an eight-mile route since 1881 for the salary of one cent a year, the carrier between Dodgeville and Mineral Point, Ill., has lost his job. It was not from any neglect of duty that this employee of the Government was severed from the payroll. Neither is there any evidence that he was unwilling to continue longer the duties of his position, for he worked as long as his penny a year was forthcoming. The Government is retrenching.

BARGAIN.—354 acres of good land, of which 100 acres is bottom land, eight-room dwelling, two good stock barns, new tobacco barn, 36x96, ice house, buggy house, two corn cribs, etc., two good cisterns, the whole farm being well watered, well fenced and lays well. Will sell as a whole or cut 200 acres with improvements, to suit purchaser, which includes 100 acres as fine bottom land as there is in the county. This is a bargain. See L. R. Hughes, Stanford, Ky.

"Health Coffee" is the cleverest imitation of real coffee ever yet made. Dr. Shoop created it from pure parched grains, malt, nuts, etc. Fine in flavor—is made in just one minute. No 20 or 30 minutes tedious boiling. Sample free. Penny's Drug Store.

Leon Yandell, who was killed at a railroad construction camp, near Lexington, by a vicious Negro, was related to the notable Kentucky family by that name. Yandell was the victim of a plot by desperate blacks working under him.

The INTERIOR JOURNAL advises Judge Parker and others if his ilk to emulate the example of Judas Iscariot, and go and hang himself. We object. We want to preserve the judge especially as an awful example.—Lexington Gazette.

MATRIMONIAL.

The Ohio courts divorced 5,034 mismatched couples during the year ending June 30, according to information filed with the Secretary of State by the probate courts of the State.

Miss Roxie Evans, daughter of Shelton M. Evans, of Middleboro, and Lewis Newman, of Knoxville, Tenn., eloped to Cumberland Gap and were married. Mr. and Mrs. Newman left for Bristol, Tenn., where they will reside.

W. F. Sheridan, known and liked by everybody here, was married at Eagle Pass, Texas, to Miss Lottie Lockett Liffon, a charming young woman of that place. They are now at home to their friends at the Galt House, Louisville.

Some time this week there will be made public, it is expected, a statement by Commander Peary concerning the claim of Dr. Cook to having discovered the North Pole. It is quite likely also that during the present week Commander Peary will forward to the Coast and Geodetic Survey at Washington his original tidal records and profile of his soundings from Cape Columbia to the pole. Dr. Cook will continue his lecture engagement but will probably find time to make some reply when the Peary statement appears in the press.

Frightful Fate Averted.

"I would have been a cripple for life, from a terrible cut on my knee," writes Frank Disbury, Kellier, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises, it soon cures burns, scalds, old sores, boils, skin eruptions. World's best for piles. 25c at Penny's Drug Store.

Why We Stay Single.

It's "Hubby, put the cat out," And it's "Dearie, fix the range," It's "Have you wound the clock, love?" And it's "Have you any change?" It's "Hook me up the back, pet," And "Lock the cellar door," And it's "Do be careful not to drop Cigar-ashes on the floor." So let the bumper circulate, And quaff a mournful glass Unto the humble benedict, Alas, alas, alas!

To The Democrats of the Crab Orchard District.

In accepting the nomination for magistrate of this district tendered me by the county committee, I wish to say to the voters of the district that this nomination was not of my seeking, that many of my neighbors, voters of this precinct, earnestly besought of me the use of my name as a candidate in this connection, and I very reluctantly consented. Having filled the office of magistrate in this district for one term in the '80s, I am fully aware of the importance and responsibilities of the office. I do not think the voters of this county fully realize the importance of securing competent men for this very responsible position.

Do you realize that at the November election you will be called upon to select four men as magistrates of the county who will have full control of the fiscal affairs of the county and who will have the authority to levy your tax for county purposes, who have control of all the county property, who make the appropriations for your turnpikes and county roads, who make settlements with your sheriff and other county officers? It seems to me that it would be to your interest as tax-payers to place men that are competent and qualified to discharge the responsible duties in these places. If you think I am the man to represent you in this district, vote for me and if elected I will represent the interest of the tax-payers and county alike to the best of my ability. This being one of the most responsible and also the poorest paying office in the county, I think the office should seek the man and not the man the office. Consequently I shall make no scramble or personal canvass for the place. It is up to you to make your selections. If you want me I will serve you. If you prefer my opponent, vote for him and I will not fall out with you by any means. Very truly yours,

R. H. BRONAUGH.

Is a candidate for Police Judge of Crab Orchard, subject to the action of the democratic party and asks your support.

The campaign which will decide by election on November 29 whether or not the amendment to the Constitution of Alabama shall include a provision forever prohibiting the sale of intoxicating liquors in that State has already developed into the bitterest political fight which has been witnessed in that State or in the South for a generation. The forces have been lined up on both sides by the thousands and hardly anything else is heard in the State as a topic of general conversation. Alabama is stirred from center to circumference in this fight. The liquor interests, including the distilleries and brewers outside of Alabama as well as the wholesale trade and what little retail trade there remains in the State, are making their last desperate stand for a foothold in Alabama and it is a fight to a finish. Already meetings are being held in every section of the State and speakers of ability are giving their time to the stump on one side or the other. The result will be watched with interest.

Less than 20 days remain until the election. Good democrats should put in all the time possible in their effort to elect the magnificent ticket which appears at the top of this page. This is a democratic county and while we are not uneasy as to the result of the election we are desirous of making the majority as large as possible. If you have a friend or neighbor who thinks he has a grievance, talk to him and use your influence in keeping his democratic record clean. Impress upon him the fact that the democrats have proven their ability of taking care of the county affairs and are more competent than their republican brothers, who desire to fill the offices for the next four years.

UNDER the operation of the new tariff law there was an increase of 100 per cent in the value of imports into the United States from the Philippine Islands during last August compared with the imports in the same month of the previous year. The total value of merchandise from the Philippines in August, 1909, was \$1,811,138, against \$814,510 in August, 1908.

THE foot ball season is yet in its incipency, but three players have been killed. This promises to be the richest season for the undertakers since the foolish game of foot ball was originated.

POLITICAL.

AND Judge Watts Parker's name will go under the log cabin for circuit judge of Fayette. His love for office is sickening.

F. B. Lindie, who was defeated for county clerk in the republican primary in Pulaski, charges that no legal primary has been held and announces that he is still a candidate.

C. R. Crane may never go to Pekin as Minister. He was recalled to Washington while en route to China because he is accused of committing a breach of diplomatic etiquette in discussing treaty matters in a Chicago newspaper. His recent speeches are also deemed unwise from a diplomatic standpoint.

Senator Lindsay, who has been so ill, is thought to be improving.

James S. McCready, former mayor of Indianapolis, is dead, aged 93.

The itinerary of President Taft will be made especially notable this week by his meeting with President Diaz of Mexico on the border line of the two republics. The President's party will arrive at El Paso, the meeting point, on Saturday and elaborate preparations have been made for ceremonies consistent with the international character of the occasion.

Gov. Willson has requested Judge Alex P. Humphrey, Col. Andrew Cowan, of Louisville; O. H. Waddle, Somerset; T. L. Edelen, Frankfort; John R. Allen, Lexington; John F. Hager, Ashland; L. J. Crawford, Newport; Jere Sullivan, Richmond; and C. U. McElroy, Bowling Green, to act as a commission to prepare a redistricting bill to be submitted to the next Legislature. Judge Humphrey is named as chairman.

William Randolph Hearst has decided to head the Republican-Fusion ticket for mayor of New York, and will be officially nominated Monday. Hearst's friends predict he stands ready to make another whirlwind campaign, such as he made in 1905, and was only defeated by a small plurality. Charles F. Murphy, Tammany leader, branded the entrance of Hearst into the mayoralty contest as a "deal." Judge Gaynor, the democratic nominee, declined to accept any campaign contributions and declared he was willing to stand on his record of life work for good government.

CHURCH MATTERS.

The Walnut street Baptist church, Louisville, celebrated its 60th anniversary Sunday.

Eld. Joseph Ballou will preach at the Christian church here at 10:45 next Sunday morning.

Revs. J. G. Livingston and Geo. D. Verec closed a meeting at Pine Grove which resulted in 10 additions.

Rev. J. Murray Taylor held a meeting at the Blue Lick Baptist church, just beyond Boneyville, which proved a most interesting one. There were 20 additions.

Rev. W. G. Montgomery has just closed an interesting meeting at the Christian church at Moreland, which resulted in 23 additions. He assisted the pastor, Rev. Case.

The Pisgah Presbyterian church, in Woodford county, celebrated its 125th anniversary. Nearly 500 persons, including many descendants and kindred of the founders of the historic church, were in attendance.

Rev. F. W. Allen, of Missouri, a former pastor of the Christian church here, will preach at the Christian church in Stanford Sunday morning, Oct. 24. His sermon will be the one he will deliver at the centennial celebration of the Christian church at Pittsburg, Pa., this week.

Rev. J. Murray Taylor has resigned as pastor of the Baptist church here and accepted a call to the pastorate of a big church in Washington City. Rev. Taylor, who has made many friends here and is a most acceptable pastor, will leave the latter part of this month for his new charge.

This and That.

Cholera threatens to become seriously epidemic in Seoul. The authorities are taking every precaution, but Seoul is not a sanitary city and the disease has spread rapidly. The palace of the former Emperor has been invaded and the home of the resident general has not been immune.

To-day is "Columbus Day," a legal holiday in New York and some other States. More than 1,000 councils of the Order of Knights of Columbus in the United States, Canada, Mexico and the Philippine Islands, embracing a membership of over 300,000 men will formally celebrate the day.

At a mass meeting of "State widows" in Nashville Saturday Prof. G. W. Dyer, of Vanderbilt University, made a speech in which he predicted the prohibition laws would be enforced "if the streets of the city must run ankle deep in blood." Prof. W. R. Webb, another noted educator, said "traitors in office ought to be shot."

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn away from the sufferer. That is impossible, but I can now surely kill the pains and pangs of this deplorable disease. In Germany with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I can cure all curable cases of this horrid disease. These and the like gruelous wastes found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of the Rheumatism is gone forever. There is now no real need—no actual cause to suffer longer without help. We sell, and in confidence recommend

BURNSIDE suffered a fearful fire Friday morning, nearly wiping out the business portion of that picturesque little city. It originated in the rear of M. E. Pruitt's store and his building and stock of goods were destroyed, entailing a loss of about \$7,000. McDaniels' general store also burned and his loss is about \$6,000. The other losses are: Cloyd & Co., general store, \$6,000; George M. Cooper, grocery and dry goods, \$3,000; Kelsay's drug store, \$7,000; Golden's office building, \$5,000; postoffice, \$6,000; N. I. Taylor, two buildings, \$2,000. The loss is about one-third covered by insurance. The Somerset fire department went to the scene and helped subdue the flames.

THE Baptist church at Keene, Ky., is in trouble, or rather one of its members is in trouble, and he wrote to the Attorney General for an opinion that he thought might help him. According to the letter to Judge James Breathitt, the Baptist church adopted a rule that any member of the church who was absent without cause for three consecutive Sundays was liable to fine and dismissal from church membership. The man who wrote the letter wanted to know whether this was legal or not. The letter was referred to Judge Blakely, Assistant Attorney General, and he dug into the law. He could find only one case bearing on the subject, and that case held that the majority of the Baptist church had the power to govern, and seemed always to have governed wisely. So Judge Blakely decided that so far as he could see the Baptist church at Keene had the right to fine and expel its members.

Money Comes in Bunches.

To A. A. Chisolm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. "I couldn't sleep, had no appetite nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for stomach, liver, kidneys, blood and nerves. 50c at Penny's Drug Store.

Your New Suit.

It's so easy to blow about one's self in print, and stretch the truth too, to the snapping point that the cold truth doesn't get a whole lot of hearing in the ordinary newspaper "ad."

The tendency is to yell; which soon grows tiresome. We talk in ordinary tones. Thus:

New Suits we're showing, \$12.50, \$15 and \$18.50, are as cheek full of style as an egg is of merit.

The best ones are Pile of Style make.
